Product Name
Surface Mounted Parking Bollard 1200mm

SKU
BSMYEL140

PRODUCT OVERVIEW

Built for high-impact areas, this 1200mm bollard features a 140mm diameter hot-dip galvanized steel body with a yellow powder-coated finish and 48mm Class 1 red reflective band for visibility. At 21kg, it includes a welded base and 4x M12 x 130mm Dynabolts for fast surface-mount installation—ideal for carparks, warehouses, and public zones.

KEY FEATURES

48mm Class 1 Red Reflective Band
Heavy-Duty Welded Base Plate
