Product Name
Plastic Tactile Indicator- Black

SKU
TACPOBLA

PRODUCT OVERVIEW

This cost-effective black tactile indicator is ideal for enhancing access compliance in shopping centres, footpaths, or transport hubs. Designed with a 35mm low-profile top and moulded from durable outdoor-grade polyurethane PVC, it installs easily with an 8mm drill bit and stands up to wear in high-traffic areas.

KEY FEATURES

One-piece moulded design for quick, secure installation

Dimension	Weight
D 35mm, Shaft: 20mm, Height: 5mm	Approx. 20g
