Product Name
Portable Wheelchair Ramp Multi-fold 6ft
SKU
WCR18372MFO

PRODUCT OVERVIEW

This foldable 6ft aluminium ramp is designed for overcoming higher access points with ease. Built from marine-grade alloy, it features a non-slip surface, locking pins, and a compact multi-fold structure with an integrated handle for portability. Perfect for wheelchair and scooter access at homes, in transit, or in public spaces.

KEY FEATURES

Lightweight marine-grade aluminium for corrosion resistance

Dimension	Weight
1830mm (L) x 720mm (W) x 50mm (H)	16kg
